

## Be Safe

- Every member of the class has the right to feel safe in class physically and emotionally (ie no hitting, verbal or emotional abuse).
- Keep hands, feet, objects and unkind words to yourself.
- Move safely around classrooms, corridors and the playground.

## Be Ready to Learn

- Be at class on time, and willing to try, every lesson.
- Mobile phones should be out of sight at all times, unless your teacher allows you to use it as part of the lesson.

## Be Respectful

- We use appropriate language at all times, no swearing or 'put downs'.
- Listen to the person who is meant to be talking.
